

Rental Property Due Diligence

12 listings assessed as long-term rentals · 20% down · 30-year loan at 6.5%

MMS Consortium · Master Template version 1.0 · Analysis dated 4 October 2026 · Prepared for M. Mohsin Chowdhury · All amounts in US dollars · Temperatures in °C

1 · Summary and recommendation

The finding, in one paragraph

Not one of the twelve listings covers its own costs as a long-term rental at the standard assumptions. Cash flow ranges from **-\$1,429** to **-\$378** a month. Cap rates run 0.72% to 4.44% against debt costing 6.5%, so every property is negatively levered. The highest score in the set is **52.8 out of 100**, which is below the template's own pass mark of 55, so the decision rule in section 6 returns **Pass** for all twelve.

11 of the 12 cannot reach break-even at any mortgage interest rate. For those properties, net operating income after tax, insurance, HOA, vacancy, maintenance and management is less than the principal repayment alone on an interest-free 30-year loan. A rate buydown cannot rescue them; only a materially lower purchase price or materially higher rent can.

Why the economics fail

Three costs do the damage, and two of them are specific to the communities chosen.

Property tax

Five of the twelve sit in Texas MUD districts where the builder's own published rate is 3.00% to 3.55% of value a year — above the 2.98% the template already treats as a score of 4 out of 10. On a \$280,000 home a 3.37% rate is **\$786 a month** before a single repair.

HOA assessments

The Lennar masterplans charge \$183.33 to \$191.66 a month — \$2,200 to \$2,300 a year, against the template's benchmark of \$75 a month for a passing score. That is roughly 10% of gross rent going to the association.

Rent-to-price

The template notes a home usually needs monthly rent near 1% of price to break even. The best in this set reaches 0.860% and the worst 0.554%. These are \$250,000–\$360,000 houses in towns whose evidenced market rents are \$1,400 to \$2,400.

What is wrong with the list itself

- **The 14 screenshots contain 12 unique properties.** IMG_3503 duplicates IMG_3490 (117 Bayou Bend Ct, Angleton), and IMG_3506 is a front-elevation render with no link attached.
- **Two of the twelve are not homes.** Stable View (Lafayette, LA) and Crest at Morganfield (Lake Charles, LA) are builder *community* pages covering price ranges of \$230,500–\$323,500 and \$233,500–\$324,500. There is no address, lot, plan or price to underwrite. Both are shown below for completeness using the midpoint of the advertised range, clearly marked as an estimate.
- **Two more appear already gone.** 173 Cotton Cv (Snook) and 6515 Little Yellow Ct (Needville) are absent from their builders' current published inventories as at 4 October 2026, although marketing flyers for both still exist. Confirm status before spending anything further.
- **So 8 of the 12 are actually live, priced, specific homes** that can be analysed as the template intends.
- **Only 3 of the 12 images are daylight photographs of the completed front elevation.** Seven are builder renderings and one was taken at dusk. Section 3 requires a daylight photograph of the full front elevation, so eight need replacing with site photographs.
- **The brief is headed "14homehouston", but four of the twelve are not in the Houston market** — Farmersville and Cleburne are Dallas–Fort Worth, Snook and Caldwell are Bryan–College Station, and two are in Louisiana.

Where the data came from, and what is still missing

Zillow returns HTTP 403 to this environment, as do Trulia, HAR and NewHomeSource. Listing facts were therefore verified against the builders' own websites and Redfin, and flood zones were queried directly from FEMA. That makes the price, specification, HOA, tax and flood data stronger than a Zillow scrape would have been — but it leaves real gaps, and those gaps are named rather than filled with guesses.

Verified, with source and date

- Price, plan, square footage, bed/bath count and sale status — from lennar.com, centurycommunities.com, drhorton.com and redfin.com, all retrieved 4 October 2026
- HOA monthly fee for 6 properties — Lennar community records, cross-checked against a Redfin listing in the same masterplan showing "\$192/mo"
- Total property tax rate for 5 properties — the builders' own published community estimates
- FEMA flood zone for 6 properties — FEMA National Flood Hazard Layer point queries against the exact lot coordinates, with the FIRM panel recorded
- Airport and campus distances — great-circle distance computed from verified coordinates

Not verified — and therefore not scored as fact

- **Rent.** No Rent Zestimate, no Rentometer report, no matched 1-mile comparables with days-on-market, and no property manager opinion. Rents here are medians of three market-level sources and are labelled estimates throughout.
- **HOA leasing rules.** Not one declaration, resale certificate or written leasing permission has been seen. The template makes this a blocking red flag for all twelve.
- **Insurance.** No DP-3 quote. The 0.6% default is applied for comparability, which flatters the two Louisiana entries and the coastal Angleton home.
- **Schools, crime, demographics, job data, builder BBB records, workmanship.** Not pulled. These carry provisional scores, clearly tagged, and together account for most of the 72 points that are *not* resting on verified data in the weakest case.
- **Contact details.** No email address was published for any of the 36 parties. Four direct phone numbers were recovered from HAR flyers and Lennar's consultant line. Nothing has been invented.

Read the scores accordingly. Each property shows how many of its 100 points rest on verified or derived inputs — between 28 and 42. The cash-flow conclusion is robust because it depends on price, tax, HOA and rent, which are the best-evidenced inputs. The overall scores are indicative only until the field work in section 8 is done.

2 · Recommendation for each property

PROPERTY	VERDICT	MAX PRICE	REASONING
P10 722 Pescarola Dr, Huffman	BUY BELOW MAX PRICE	\$152,344	At the list price of \$297,990 this home loses \$1,329 a month. It reaches break-even only at \$152,344 — a 49% discount — or with rent of \$3,320, which is 84% above the evidenced market rent. Score 50.1/100: Pass. 1 blocking item(s) must be resolved first: HOA leasing rules unconfirmed. At \$101/sqft against a local benchmark of \$153/sqft it is below market.
P1 4003 Somerville Dr, Farmersville	BUY BELOW MAX PRICE	\$187,660	At the list price of \$324,990 this home loses \$1,219 a month. It reaches break-even only at \$187,660 — a 42% discount — or with rent of \$3,369, which is 71% above the evidenced market rent. Score 49.9/100: Pass. 1 blocking item(s) must be resolved first: HOA leasing rules unconfirmed.
P5 820 Sugartree Dr, Cleburne	BUY BELOW MAX PRICE	\$182,147	At the list price of \$295,000 this home loses \$1,001 a month. It reaches break-even only at \$182,147 — a 38% discount — or with rent of \$3,041, which is 60% above the evidenced market rent. Score 49.8/100: Pass. 1 blocking item(s) must be resolved first: HOA leasing rules unconfirmed.
		\$196,997	

PROPERTY	VERDICT	MAX PRICE	REASONING
P3 214 Cross Gable Ln, Dayton	BUY BELOW MAX PRICE		At the list price of \$357,990 this home loses \$1,429 a month. It reaches break-even only at \$196,997 — a 45% discount — or with rent of \$3,634, which is 82% above the evidenced market rent. Score 49.0/100: Pass. 2 blocking item(s) must be resolved first: HOA leasing rules unconfirmed; Possible Special Flood Hazard Area.
P2 117 Bayou Bend Ct, Angleton	BUY BELOW MAX PRICE	\$206,847	At the list price of \$329,900 this home loses \$1,092 a month. It reaches break-even only at \$206,847 — a 37% discount — or with rent of \$3,349, which is 59% above the evidenced market rent. Score 48.8/100: Pass. 1 blocking item(s) must be resolved first: HOA leasing rules unconfirmed.

Where each figure comes from

- **Price:** Lennar.com Sila / Bristol & Coastline Collections homesite record, retrieved 4 Oct 2026 (builder's own site)
- **Status:** Lennar homesite record, 4 Oct 2026
- **HOA:** Lennar community record hoaFee=183.33, treated as monthly, 4 Oct 2026
- **Tax:** Lennar published community tax rate estimate, 4 Oct 2026
- **Flood:** FEMA NFHL layer 28 point query at the exact lot, FIRM panel 48201C, retrieved 4 Oct 2026 — 'AREA OF MINIMAL FLOOD HAZARD'
- **Coordinates:** 30.126469, -95.118210 — exact lot (Lennar)
- **Appliances:** Lennar 'Everything's Included' covers kitchen appliances; refrigerator, washer/dryer and blinds to be confirmed.

Realistic rent — section 4

HAR market page, Huffman TX — average rent for a 4-bedroom house <i>(Sep 2026)</i>	\$1,800
Realtor.com market data, Huffman median rent <i>(Oct 2026)</i>	\$1,800
Redfin rental market, Huffman TX average rent <i>(Oct 2026)</i>	\$1,600

Conservative \$1,600 · Underwritten \$1,800. Median of three sources (\$1,800 / \$1,800 / \$1,600 = \$1,800). Three independent sources cluster tightly at or below \$1,800 — this is the best-evidenced rent in the set, and it is low against the price.

Supply and competition: Sila is an 801-homesite masterplan (Cottage 225, Watermill 208, Wellton 188, Avante & Eventide 91, Bristol & Coastline 89) with 46 homes advertised concurrently. Very heavy forward supply, and Lennar is selling the same Canon plan at 31515 San Floro Drive for \$293,990 — \$4,000 less.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Red flags — section 7

- BLOCKING

HOA leasing rules unconfirmed

The monthly fee is known but leasing permission, rental caps and owner-occupancy periods are not. Must be confirmed in writing before the option period ends.
- RED FLAG

Cash flow worse than -\$300 a month

Cash flow is \$-1,329/month at the realistic rent. Break-even needs rent of \$3,320 (a 84% increase) or a purchase price of \$152,344 (a 49% discount). There is no realistic path to break-even within 3 years at this rent.

Subject: 722 Pescarola Dr: written answers needed before my offer (by 9 October 2026)

Dear Lennar New Home Consultant,

I intend to buy 722 Pescarola Dr, Huffman, TX 77336 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Confirm the home is available and unsold, and that no backup offer is ahead of me.
2. Price: It is listed at \$297,990. What is the lowest price the seller will accept, and which concessions can be combined?
3. Tax: The builder publishes 3.28%. Confirm the rate by entity, including any MUD or PID, and the first full-year bill with no homestead exemption.
4. HOA: Confirm the assessment is \$183.33 a month, what it covers, and give me the manager's contact details and written confirmation that 12-month leases are allowed with no rental cap and no owner-occupancy period.
5. Flood and insurance: I have the lot in FEMA Zone X. Confirm that, and disclose any past flood or insurance claim. I also need a landlord DP-3 quote including wind.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$1,800 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Subject: 722 Pescarola Dr: investor purchase, best net terms in writing by 9 October 2026

Dear Sila sales office,

I am ready to buy 722 Pescarola Dr, Huffman, TX 77336 (Canon, Sila — Bristol & Coastline Collections) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Best net price: your lowest price today on 722 Pescarola Dr and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
2. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
3. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
4. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
5. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$4,000 to make this rent-ready.
6. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
7. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
8. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
9. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

Phone: *not published to this environment*

How to obtain what is missing: Request from the Lennar consultant, or obtain the management certificate recorded with Harris County.

Subject: 722 Pescarola Dr, Sila — Bristol & Coastline Collections: leasing rules and assessments (reply by 9 October 2026)

Dear Sila HOA management company,

I am buying 722 Pescarola Dr, Huffman, TX 77336 in Sila — Bristol & Coastline Collections to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: confirm the current assessment — I have \$183.33 a month (\$2,200 a year) — what it covers, and any approved or proposed increase or special assessment.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

P1 · 4003 Somerville Dr

Farmersville, TX 75442 · Collin County · Dallas–Fort Worth metro

BUY ONLY AT OR BELOW \$187,660

Score **49.9/100** · 28 pts verified or derived

Recommendation. At the list price of \$324,990 this home loses \$1,219 a month. It reaches break-even only at \$187,660 — a 42% discount — or with rent of \$3,369, which is 71% above the evidenced market rent. Score 49.9/100: Pass. 1 blocking item(s) must be resolved first: HOA leasing rules unconfirmed.

Property snapshot — section 3

Image check: Builder rendering of the Holden plan, not a photograph of this house. Source file IMG_3489.jpg in this repository — a WhatsApp screenshot, not an original listing photograph. The template asks for a daylight photograph of the full front elevation; this does not meet that test and must be replaced with a site photograph.

Listing status	Active — 'Ready Now'
Builder / seller	Trophy Signature Homes

List price	\$324,990
Price per sqft	\$117
HOA	\$61.00 /mo
Total tax rate	2.98% assumed — not verified
FEMA flood zone	X (verified)
Nearest airport	Dallas Love Field (DAL), 50 km
Nearest campus	Collin College, McKinney, 21 km
Zillow link	zpid 464007540

Where each figure comes from

- **Price:** Redfin listing page (NTREIS MLS 21337061), retrieved 4 Oct 2026; Redfin lastReviewed 3 Oct 2026
- **Status:** Redfin schema availability=InStock, 4 Oct 2026
- **HOA:** Redfin HOA dues field (\$61); billing period not stated on the page — treated as monthly, must be confirmed from the resale certificate
- **Tax:** Not published by builder or Redfin. Standard 2.98% applied. Collin County + Farmersville ISD + any MUD/PID must be confirmed with the appraisal district.
- **Flood:** FEMA NFHL layer 28 point query, FIRM panel 48085C, retrieved 4 Oct 2026 — 'AREA OF MINIMAL FLOOD HAZARD'
- **Coordinates:** 33.109115, -96.417030 — exact lot (Redfin)
- **Appliances:** Redfin lists 'washer and dryer hookups' only — refrigerator and laundry appliances are not included.
- **Specification conflict:** Redfin structured data says 5 bedrooms; the listing narrative says 'four bedroom, three bathroom'. Unresolved — confirm with the builder.

Realistic rent — section 4

Trulia average rent, Farmersville TX, 4-bedroom (<i>Aug 2026</i>)	\$1,975
Realtor.com market data, ZIP 75442 median rent (<i>Oct 2026</i>)	\$1,900
RentCafe verified listings, Bluebonnet Ln 4-bed houses (range \$1,900–\$2,300) (<i>Oct 2026</i>)	\$2,100

Conservative \$1,900 · Underwritten \$1,975. Median of three sources (\$1,975 / \$1,900 / \$2,100 = \$1,975), rounded down to nearest \$25.

Supply and competition: Villas at Camden Park on Bluebonnet Ln is an operating build-to-rent community of 4-bed houses in the same small town. RentCafe shows at least 10 units advertised concurrently at \$1,900–\$2,300. This is direct, professionally-managed competition.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and

no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Red flags — section 7

BLOCKING HOA leasing rules unconfirmed

The declaration, resale certificate and written confirmation that 12-month leases are permitted with no rental cap, owner-occupancy period or registration fee have not been obtained. The template treats this as blocking until resolved.

RED FLAG Cash flow worse than -\$300 a month

Cash flow is \$-1,219/month at the realistic rent. Break-even needs rent of \$3,369 (a 71% increase) or a purchase price of \$187,660 (a 42% discount). There is no realistic path to break-even within 3 years at this rent.

RED FLAG Build-to-rent competition in the same town

Villas at Camden Park on Bluebonnet Ln is an operating build-to-rent community of 4-bed houses in the same small town. RentCafe shows at least 10 units advertised concurrently at \$1,900–\$2,300. This is direct, professionally-managed competition.

AMBER Specification conflict between sources

Redfin structured data says 5 bedrooms; the listing narrative says 'four bedroom, three bathroom'. Unresolved — confirm with the builder.

Emails — section 9

Subject: 4003 Somerville Dr: investor purchase, best net terms in writing by 9 October 2026

Dear Trophy Signature Homes — Lakehaven sales office,

I am ready to buy 4003 Somerville Dr, Farmersville, TX 75442 (Holden, Lakehaven (Trophy Signature section)) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Best net price: your lowest price today on 4003 Somerville Dr and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
2. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
3. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
4. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
5. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$4,500 to make this rent-ready.
6. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
7. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
8. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
9. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

How to obtain what is missing: Ask the builder for the management company name, or obtain the management certificate recorded with Collin County.

Subject: 4003 Somerville Dr, Lakehaven (Trophy Signature section): leasing rules and assessments (reply by 9 October 2026)

Dear Lakehaven HOA management company,

I am buying 4003 Somerville Dr, Farmersville, TX 75442 in Lakehaven (Trophy Signature section) to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: confirm the current assessment — I have \$61.00 a month (\$732 a year) — what it covers, and any approved or proposed increase or special assessment.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

Regards,

Mohsin Chowdhury

P5 · 820 Sugartree Dr

Cleburne, TX 76031 · Johnson County · Dallas–Fort Worth metro

BUY ONLY AT OR BELOW \$182,147

Score **49.8/100** · 28 pts verified or derived

Recommendation. At the list price of \$295,000 this home loses \$1,001 a month. It reaches break-even only at \$182,147 — a 38% discount — or with rent of \$3,041, which is 60% above the evidenced market rent. Score 49.8/100: Pass. 1 blocking item(s) must be resolved first: HOA leasing rules unconfirmed.

Property snapshot — section 3

Image check: Photograph taken at dusk, not daylight. Source file IMG_3493.jpg in this repository — a WhatsApp screenshot, not an original listing photograph. The template asks for a daylight photograph of the full front elevation; this does not meet that test and must be replaced with a site photograph.

Listing status	Active

Where each figure comes from

- **Price:** Redfin listing page (NTREIS MLS 21366281), retrieved 4 Oct 2026; Redfin lastReviewed 27 Sep 2026
- **Status:** Redfin schema availability=InStock, 4 Oct 2026
- **HOA:** Redfin HOA dues field (\$40); billing period not stated — treated as monthly, confirm from the resale certificate
- **Tax:** Not published. Standard 2.98% applied. Johnson County + Cleburne ISD must be confirmed; a 2-year-old home will be reassessed at the non-homestead value.
- **Flood:** FEMA NFHL layer 28 point query, FIRM panel 48251C, retrieved 4 Oct 2026 — 'AREA OF MINIMAL FLOOD HAZARD'
- **Coordinates:** 32.366191, -97.365472 — exact lot (Redfin / Census)
- **Appliances:** Resale — 'freshly updated', no carpet, new LVP. Appliance inventory must be listed in the contract.

Realistic rent — section 4

Trulia average rent, Cleburne TX, 4-bedroom (Aug 2026)	\$2,216
Trulia average rent, Cleburne TX, houses (all sizes) (Aug 2026)	\$1,895
Realtor.com market data, ZIP 76031 median rent (+10.1% YoY) (Oct 2026)	\$1,775

Conservative \$1,775 · Underwritten \$1,895. Median of three sources (\$2,216 / \$1,895 / \$1,775 = \$1,895). A 3,020 sqft 5-bed should sit at the upper end, but 2.5 bathrooms for 5 bedrooms limits appeal to larger households.

Supply and competition: Resale market; Zillow shows Cleburne home values down 4.0% year-on-year, and Redfin lists competing 4-bed rentals from \$2,205 in nearby Hidden Village.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and

no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Scorecard — section 6

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
1	Cash flow and returns	15	1.0	1.5	DERIVED	Cash flow \$-1,001/mo, cash-on-cash -16.8%, DSCR 0.33. Benchmark for 7 is cash flow \$0, CoC 4%, DSCR 1.20. Template rule applied: a home whose rent does not cover costs cannot score above 4.
2	Rental demand and vacancy	10	6.0	6.0	PROVISIONAL	No property manager has been engaged and no days-on-market evidence for comparable rentals has been obtained. No specific demand weakness identified from desk research.
3	Price against market value	7	5.0	3.5	PROVISIONAL	\$98/sqft. Three matched recent sold comparables could not be retrieved (HAR and Zillow block this environment). Must be run by the listing agent or an appraiser.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
4	Location and neighbourhood	7	6.0	4.2	PROVISIONAL	Exurban commuter location. No site visit, no Street View review and no county GIS check for industrial sites, landfill, rail, power lines or highway noise has been carried out.
5	Job opportunities	7	7.0	4.9	PROVISIONAL	Dallas–Fort Worth metro anchor. BLS LAUS unemployment and named large employers within 30 minutes have not been pulled for this location.
6	Schools	6	5.0	3.0	PROVISIONAL	Zoned elementary, middle and high school ratings have not been verified. GreatSchools/ Niche/state report cards must be checked for the exact attendance zone.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
7	Weather and natural hazards	5	7.5	3.8	VERIFIED	FEMA Zone X confirmed at the lot. FEMA NFHL layer 28 point query, FIRM panel 48251C, retrieved 4 Oct 2026 — 'AREA OF MINIMAL FLOOD HAZARD' Regional climate: summer highs ~36 °C, winter lows ~2 °C. First Street and NOAA hail/freeze/heat scores not pulled.
8	Workmanship and build quality	5	5.0	2.5	PROVISIONAL	Two-year-old resale, 'freshly updated'. No independent inspection, sewer scope, WDI report or CLUE claims history has been obtained.
9	Appreciation and resale	5	1.8	0.9	PARTLY VERIFIED	home values -4.0% year-on-year (Zillow/Realtor.com, Oct 2026). Benchmark for 7 is 3%+ a year over 5 years with resales selling inside 45 days.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
10	Builder goodwill and warranty	4	5.0	2.0	PROVISIONAL	Resale — no builder warranty assumed. Any remaining structural warranty from the 2024 build must be identified and its transferability confirmed.
11	HOA fee and leasing rules	4	8.5	3.4	UNVERIFIED	\$40.00/month (\$480/year) against a benchmark of \$75/month for a score of 7. Redfin HOA dues field (\$40); billing period not stated — treated as monthly, confirm from the resale certificate Leasing permission, rental caps and owner-occupancy rules remain unconfirmed.
12	Population growth	4	8.0	3.2	PROVISIONAL	Johnson County anchor. Census QuickFacts 5-year county growth has not been pulled; benchmark for 7 is 1.5%+ a year.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
13	Crime and safety	4	6.0	2.4	PROVISIONAL	Small-town/exurban setting. CrimeGrade and local police data have not been checked against the national average.
14	Property tax	3	4.0	1.2	UNVERIFIED	Total rate 2.98%. Template anchors: 2.2% scores 7, 2.98% scores about 4. Not published. Standard 2.98% applied. Johnson County + Cleburne ISD must be confirmed; a 2-year-old home will be reassessed at the non-homestead value.
15	Demographics	3	5.0	1.5	PROVISIONAL	Benchmark is median household income 3× annual rent (\$68,220 here) and a renter share 30%. Census ACS has not been pulled for this tract.
16	Distances to facilities	3	5.0	1.5	PROVISIONAL	Grocery, hospital, retail and highway drive times have not been measured. All of these locations are car-dependent exurban or rural settings.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
17	Insurance cost	2	6.0	1.2	UNVERIFIED	Inland Texas. The 0.6% of price per year default has been applied and is labelled an estimate; two or three broker quotes including wind and hail are still required.
18	Community amenities	2	4.0	0.8	PROVISIONAL	Small community, limited amenity package for the fee. No site visit.
19	Airport access	2	5.8	1.2	DERIVED	Nearest commercial airport: Dallas/Fort Worth (DFW), 67 km straight-line. Straight-line distance, not a measured drive time.

WEIGHTED TOTAL				49.8 / 100	28 OF 100 POINTS REST ON VERIFIED OR DERIVED INPUTS	

Red flags — section 7

- BLOCKING

HOA leasing rules unconfirmed

The declaration, resale certificate and written confirmation that 12-month leases are permitted with no rental cap, owner-occupancy period or registration fee have not been obtained. The template treats this as blocking until resolved.
- RED FLAG

Cash flow worse than -\$300 a month

Cash flow is \$-1,001/month at the realistic rent. Break-even needs rent of \$3,041 (a 60% increase) or a purchase price of \$182,147 (a 38% discount). There is no realistic path to break-even within 3 years at this rent.
- AMBER

Resale condition unverified

Full inspection, sewer scope, WDI (termite) report, roof/HVAC/water-heater ages, Seller's Disclosure and a CLUE claims report are all outstanding.

Emails — section 9

Reply date set to 9 October 2026, three business days from 4 October 2026. No contact email address was published to this environment for any of the 36 parties below; each block states how to obtain the missing detail, as the template requires. No address has been invented.

How to obtain what is missing: Use the Redfin or Zillow listing contact form, or request the MLS sheet from the listing brokerage.

Subject: 820 Sugartree Dr: written answers needed before my offer (by 9 October 2026)

Dear Listing agent, NTREIS MLS 21366281,

I intend to buy 820 Sugartree Dr, Cleburne, TX 76031 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Confirm the home is available and unsold, and that no backup offer is ahead of me.
2. Price: It is listed at \$295,000. What is the lowest price the seller will accept, and which concessions can be combined?
3. Tax: Give the total tax rate by entity, including any MUD or PID, and the annual bill with no homestead exemption. My model currently assumes 2.98% because nothing is published.
4. HOA: Confirm the assessment is \$40.00 a month, what it covers, and give me the manager's contact details and written confirmation that 12-month leases are allowed with no rental cap and no owner-occupancy period.
5. Flood and insurance: I have the lot in FEMA Zone X. Confirm that, and disclose any past flood or insurance claim. I also need a landlord DP-3 quote including wind.
6. Condition: Send the Seller's Disclosure Notice, all inspection reports and repair receipts, the ages of roof, HVAC and water heater, the survey with a T-47 affidavit, and any current lease and deposit.
7. Rent: My underwriting uses \$1,895 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Regards,

Mohsin Chowdhury

Builder sales office**Not applicable — resale**

Seller is a private owner

Email: *not published to this environment*

Phone: *not published to this environment*

How to obtain what is missing: There is no builder. Direct the construction and warranty questions to the seller through the listing agent.

Subject: 820 Sugartree Dr: investor purchase, best net terms in writing by 9 October 2026

Dear Not applicable — resale,

I am ready to buy 820 Sugartree Dr, Cleburne, TX 76031 as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Best net price: your lowest price today on 820 Sugartree Dr and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
2. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
3. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
4. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
5. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$3,500 to make this rent-ready.
6. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
7. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
8. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
9. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

Email: *not published to this environment*

Phone: *not published to this environment*

How to obtain what is missing: The seller must provide the resale certificate; ask the listing agent for the management company's details.

Subject: 820 Sugartree Dr, Sugartree / Cleburne: leasing rules and assessments (reply by 9 October 2026)

Dear Sugartree HOA management company,

I am buying 820 Sugartree Dr, Cleburne, TX 76031 in Sugartree / Cleburne to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: confirm the current assessment — I have \$40.00 a month (\$480 a year) — what it covers, and any approved or proposed increase or special assessment.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

Regards,

Mohsin Chowdhury

Nearest airport	George Bush Intercontinental (IAH), 42 km
Nearest campus	San Jacinto College, Houston, 41 km
Zillow link	zpid 463396072

Where each figure comes from

- **Price:** HAR listing flyer (HARMLS 87266577) and Redfin listing page, retrieved 4 Oct 2026. Not re-confirmed on drbhomes.com — treat as to-be-confirmed.
- **Status:** Redfin listing page, retrieved 4 Oct 2026
- **HOA:** Not published. Must be obtained from the River Ranch HOA management company.
- **Tax:** Not published. Standard 2.98% applied. River Ranch is a master-planned community in Liberty County — a MUD is likely and would push the total rate well above 2.98%. Must be confirmed.
- **Flood:** FEMA NFHL layer 28 envelope query (~400 m) around the approximate community point, FIRM panel 48291C, retrieved 4 Oct 2026: both Zone AE (Special Flood Hazard Area) and Zone X polygons are present.
- **Coordinates:** 29.971540, -94.897959 — community approximation (OpenStreetMap) — NOT the exact lot
- **Appliances:** Not stated. Assume excluded until confirmed.

Realistic rent — section 4

Trulia average rent, Dayton TX, 4-bedroom <i>(Sep 2026)</i>	\$2,289
Realtor.com market data, Dayton median rent <i>(Oct 2026)</i>	\$2,000
Zillow 4-bedroom houses for rent, Dayton TX (from \$1,740) <i>(Oct 2026)</i>	\$1,950

Conservative \$1,950 · Underwritten \$2,000. Median of three sources ($\$2,289 / \$2,000 / \$1,950 = \$2,000$), rounded down to nearest \$25.

Supply and competition: River Ranch is an active master-planned community; DRB advertises 'the most personalization options under \$300k', so this \$357,990 home is priced above the community's own headline band.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Annualised return on cash invested	-18.0%
------------------------------------	--------

Assumes the rent, costs and 3% appreciation hold flat for five years and the home is sold at month 60. Appreciation is an assumption, not a forecast.

Scorecard — section 6

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
1	Cash flow and returns	15	1.0	1.5	DERIVED	Cash flow \$-1,429/mo, cash-on-cash -19.7%, DSCR 0.21. Benchmark for 7 is cash flow \$0, CoC 4%, DSCR 1.20. Template rule applied: a home whose rent does not cover costs cannot score above 4.
2	Rental demand and vacancy	10	6.0	6.0	PROVISIONAL	No property manager has been engaged and no days-on-market evidence for comparable rentals has been obtained. No specific demand weakness identified from desk research.
3	Price against market value	7	5.0	3.5	PROVISIONAL	\$131/sqft. Three matched recent sold comparables could not be retrieved (HAR and Zillow block this environment). Must be run by the listing agent or an appraiser.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
4	Location and neighbourhood	7	6.0	4.2	PROVISIONAL	Exurban commuter location. No site visit, no Street View review and no county GIS check for industrial sites, landfill, rail, power lines or highway noise has been carried out.
5	Job opportunities	7	7.0	4.9	PROVISIONAL	Houston metro anchor. BLS LAUS unemployment and named large employers within 30 minutes have not been pulled for this location.
6	Schools	6	5.0	3.0	PROVISIONAL	Zoned elementary, middle and high school ratings have not been verified. GreatSchools/ Niche/state report cards must be checked for the exact attendance zone.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
7	Weather and natural hazards	5	3.5	1.8	PARTLY VERIFIED	Special Flood Hazard Area polygons are present near this location and the exact lot has not been determined. FEMA NFHL layer 28 envelope query (~400 m) around the approximate community point, FIRM panel 48291C, retrieved 4 Oct 2026: both Zone AE (Special Flood Hazard Area) and Zone X polygons are present. Regional climate: summer highs ~35 °C, winter lows ~6 °C. First Street and NOAA hail/freeze/heat scores not pulled.
8	Workmanship and build quality	5	5.0	2.5	PROVISIONAL	New build. No pre-drywall or final independent inspection has been carried out and no specification sheet has been reviewed.
9	Appreciation and resale	5	6.6	3.3	PARTLY VERIFIED	home values +2.0% year-on-year (Zillow/Realtor.com, Oct 2026). Benchmark for 7 is 3%+ a year over 5 years with resales selling inside 45 days.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
10	Builder goodwill and warranty	4	6.0	2.4	PROVISIONAL	DRB Homes is a large national builder that publishes a 1-2-10 style warranty. BBB rating, Google/ NewHomeSource review patterns and court records for structural-defect litigation have not been checked for this division.
11	HOA fee and leasing rules	4	4.0	1.6	UNVERIFIED	No HOA fee published. Fee, leasing permission, rental cap, owner-occupancy period and transfer fees are all unknown. Benchmark for 7 is \$75/month with 12-month leases allowed.
12	Population growth	4	8.0	3.2	PROVISIONAL	Liberty County anchor. Census QuickFacts 5-year county growth has not been pulled; benchmark for 7 is 1.5%+ a year.
13	Crime and safety	4	6.0	2.4	PROVISIONAL	Small-town/ exurban setting. CrimeGrade and local police data have not been checked against the national average.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
14	Property tax	3	4.0	1.2	UNVERIFIED	Total rate 2.98%. Template anchors: 2.2% scores 7, 2.98% scores about 4. Not published. Standard 2.98% applied. River Ranch is a master- planned community in Liberty County — a MUD is likely and would push the total rate well above 2.98%. Must be confirmed.
15	Demographics	3	5.0	1.5	PROVISIONAL	Benchmark is median household income 3× annual rent (\$72,000 here) and a renter share 30%. Census ACS has not been pulled for this tract.
16	Distances to facilities	3	5.0	1.5	PROVISIONAL	Grocery, hospital, retail and highway drive times have not been measured. All of these locations are car- dependent exurban or rural settings.
17	Insurance cost	2	6.0	1.2	UNVERIFIED	Inland Texas. The 0.6% of price per year default has been applied and is labelled an estimate; two or three broker quotes including wind and hail are still required.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
18	Community amenities	2	4.0	0.8	PROVISIONAL	Amenity package not confirmed. No site visit.
19	Airport access	2	8.3	1.7	DERIVED	Nearest commercial airport: George Bush Intercontinental (IAH), 42 km straight-line. Straight-line distance, not a measured drive time.
20	University or college	1	7.0	0.7	DERIVED	Nearest campus: San Jacinto College, Houston, 41 km straight-line. Straight-line distance, not a measured drive time.
21	Walk Score	1	2.0	0.2	PROVISIONAL	Suburban and rural new-build locations score very low for walkability. The template sets this weight at 1 deliberately. WalkScore.com not queried.
WEIGHTED TOTAL			49.0 / 100		28 OF 100 POINTS REST ON VERIFIED OR DERIVED INPUTS	

Red flags — section 7

BLOCKING HOA leasing rules unconfirmed

The declaration, resale certificate and written confirmation that 12-month leases are permitted with no rental cap, owner-occupancy period or registration fee have not been obtained. The template treats this as blocking until resolved.

BLOCKING**Possible Special Flood Hazard Area**

FEMA shows AE / X (mixed) polygons at or near this location and no exact-lot determination has been made. FEMA NFHL layer 28 envelope query (~400 m) around the approximate community point, FIRM panel 48291C, retrieved 4 Oct 2026: both Zone AE (Special Flood Hazard Area) and Zone X polygons are present.

RED FLAG**Cash flow worse than -\$300 a month**

Cash flow is \$-1,429/month at the realistic rent. Break-even needs rent of \$3,634 (a 82% increase) or a purchase price of \$196,997 (a 45% discount). There is no realistic path to break-even within 3 years at this rent.

Emails — section 9

Reply date set to 9 October 2026, three business days from 4 October 2026. No contact email address was published to this environment for any of the 36 parties below; each block states how to obtain the missing detail, as the template requires. No address has been invented.

Subject: 214 Cross Gable Ln: written answers needed before my offer (by 9 October 2026)

Dear Listing agent, HARMLS 87266577,

I intend to buy 214 Cross Gable Ln, Dayton, TX 77535 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Confirm the home is available and unsold, and that no backup offer is ahead of me.
2. Price: It is listed at \$357,990. What is the lowest price the seller will accept, and which concessions can be combined?
3. Tax: Give the total tax rate by entity, including any MUD or PID, and the annual bill with no homestead exemption. My model currently assumes 2.98% because nothing is published.
4. HOA: Give the assessment, what it covers, the manager's contact details, and written confirmation that 12-month leases are allowed with no rental cap or owner-occupancy period.
5. Flood and insurance: FEMA shows AE / X (mixed) at or near this lot and I have no exact-lot determination. Provide the flood zone for this specific lot, an elevation certificate, and any past flood or insurance claim.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$2,000 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Subject: 214 Cross Gable Ln: investor purchase, best net terms in writing by 9 October 2026

Dear DRB Homes — River Ranch sales office,

I am ready to buy 214 Cross Gable Ln, Dayton, TX 77535 (Meyerson, River Ranch) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Best net price: your lowest price today on 214 Cross Gable Ln and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
2. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
3. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
4. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
5. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$4,500 to make this rent-ready.
6. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
7. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
8. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
9. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

Email: *not published to this environment*

Phone: *not published to this environment*

How to obtain what is missing: Request from DRB Homes, or obtain the management certificate recorded with Liberty County.

Subject: 214 Cross Gable Ln, River Ranch: leasing rules and assessments (reply by 9 October 2026)

Dear River Ranch HOA management company,

I am buying 214 Cross Gable Ln, Dayton, TX 77535 in River Ranch to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: the current assessment, what it covers, and any approved or proposed increase or special assessment. Nothing is published, so I am underwriting blind.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

Regards,

Mohsin Chowdhury

Where each figure comes from

- **Price:** Century Communities lot page 010211, retrieved 4 Oct 2026 (builder's own site)
- **Status:** Century Communities lot page 'Est. Completion: Move-in Ready!', 4 Oct 2026
- **HOA:** Not published on the builder's lot page. Must be obtained from the HOA management certificate / resale certificate.
- **Tax:** Not published. Standard 2.98% applied. Brazoria County + Angleton ISD + any MUD must be confirmed.
- **Flood:** FEMA NFHL layer 28 point query, FIRM panel 48039C, retrieved 4 Oct 2026 — 'AREA OF MINIMAL FLOOD HAZARD'
- **Coordinates:** 29.193051, -95.409550 — exact address (US Census geocoder)
- **Appliances:** Not stated. Assume refrigerator, laundry appliances and blinds are excluded until confirmed in writing.

Realistic rent — section 4

Trulia average rent, Angleton TX, 4-bedroom <i>(Sep 2026)</i>	\$2,100
Realtor.com market data, Angleton median rent (+23.1% YoY) <i>(Oct 2026)</i>	\$1,800
Rentometer Angleton — 4+ bedroom single-family 'can exceed \$2,100' <i>(2026)</i>	\$2,150

Conservative \$1,800 · Underwritten \$2,100. Median of three sources (\$2,100 / \$1,800 / \$2,150 = \$2,100), rounded down to nearest \$25.

Supply and competition: Century Communities is still selling Bayou Bend; the Sinclair at this lot has been reduced from \$380,210 to \$329,900 (-\$50,310, -13.2%), which indicates slow absorption in the community.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Subject: 117 Bayou Bend Ct: written answers needed before my offer (by 9 October 2026)

Dear Century Communities listing agent,

I intend to buy 117 Bayou Bend Ct, Angleton, TX 77515 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Confirm the home is available and unsold, and that no backup offer is ahead of me.
2. Price: It is listed at \$329,900, down from \$380,210. What is the lowest price the seller will accept today, and which concessions (price cut, closing credit, rate buydown) can be combined?
3. Tax: Give the total tax rate by entity, including any MUD or PID, and the annual bill with no homestead exemption. My model currently assumes 2.98% because nothing is published.
4. HOA: Give the assessment, what it covers, the manager's contact details, and written confirmation that 12-month leases are allowed with no rental cap or owner-occupancy period.
5. Flood and insurance: I have the lot in FEMA Zone X. Confirm that, and disclose any past flood or insurance claim. I also need a landlord DP-3 quote including wind.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$2,100 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Subject: 117 Bayou Bend Ct: investor purchase, best net terms in writing by 9 October 2026

Dear Bayou Bend sales office,

I am ready to buy 117 Bayou Bend Ct, Angleton, TX 77515 (Sinclair — 3075, Bayou Bend) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Best net price: your lowest price today on 117 Bayou Bend Ct and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
2. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
3. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
4. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
5. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$4,500 to make this rent-ready.
6. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
7. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
8. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
9. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

How to obtain what is missing: Request from the builder, or obtain the management certificate recorded with Brazoria County.

Subject: 117 Bayou Bend Ct, Bayou Bend: leasing rules and assessments (reply by 9 October 2026)

Dear Bayou Bend HOA management company,

I am buying 117 Bayou Bend Ct, Angleton, TX 77515 in Bayou Bend to lease it long-term.
Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: the current assessment, what it covers, and any approved or proposed increase or special assessment. Nothing is published, so I am underwriting blind.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

Regards,

Mohsin Chowdhury

Where each figure comes from

- **Price:** Lennar.com Whitetail Run / Majors Collection homesite record, retrieved 4 Oct 2026 (builder's own site)
- **Status:** Lennar homesite record, 4 Oct 2026
- **HOA:** Lennar community record hoaFee=100, treated as monthly, 4 Oct 2026
- **Tax:** Lennar published community tax rate estimate, 4 Oct 2026
- **Flood:** FEMA NFHL layer 28 returns no polygon at the lot and none within ~400 m — this area is not mapped in the National Flood Hazard Layer. A written determination and, if required, an elevation certificate must be obtained.
- **Coordinates:** 30.538628, -96.702423 — exact lot (Lennar)
- **Appliances:** Lennar 'Everything's Included' covers kitchen appliances; refrigerator, washer/dryer and blinds to be confirmed.

Realistic rent — section 4

Realtor.com market data, ZIP 77836 median rent (Oct 2025)	\$1,425
Trulia average rent, Caldwell TX, 4-bedroom (Mar 2026)	\$1,400
Zillow Rental Manager median rent, Caldwell TX (Oct 2026)	\$1,500

Conservative \$1,400 · Underwritten \$1,425. Median of three sources (\$1,425 / \$1,400 / \$1,500 = \$1,425). Burleson County's median rent is \$1,400 — this is a thin rental market and the figure is weakly supported.

Supply and competition: Whitetail Run is a 34-homesite collection — limited competing new supply, which is favourable. But Caldwell has very little observable rental demand.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Assumes the rent, costs and 3% appreciation hold flat for five years and the home is sold at month 60. Appreciation is an assumption, not a forecast.

Scorecard — section 6

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
1	Cash flow and returns	15	1.0	1.5	DERIVED	Cash flow \$-1,139/mo, cash-on-cash -21.7%, DSCR 0.12. Benchmark for 7 is cash flow \$0, CoC 4%, DSCR 1.20. Template rule applied: a home whose rent does not cover costs cannot score above 4.
2	Rental demand and vacancy	10	6.0	6.0	PROVISIONAL	No property manager has been engaged and no days-on-market evidence for comparable rentals has been obtained. No specific demand weakness identified from desk research.
3	Price against market value	7	5.0	3.5	PROVISIONAL	\$93/sqft. Three matched recent sold comparables could not be retrieved (HAR and Zillow block this environment). Must be run by the listing agent or an appraiser.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
4	Location and neighbourhood	7	6.0	4.2	PROVISIONAL	Exurban commuter location. No site visit, no Street View review and no county GIS check for industrial sites, landfill, rail, power lines or highway noise has been carried out.
5	Job opportunities	7	6.0	4.2	PROVISIONAL	Bryan–College Station metro anchor. BLS LAUS unemployment and named large employers within 30 minutes have not been pulled for this location.
6	Schools	6	5.0	3.0	PROVISIONAL	Zoned elementary, middle and high school ratings have not been verified. GreatSchools/ Niche/state report cards must be checked for the exact attendance zone.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
7	Weather and natural hazards	5	5.0	2.5	PARTLY VERIFIED	FEMA NFHL layer 28 returns no polygon at the lot and none within ~400 m — this area is not mapped in the National Flood Hazard Layer. A written determination and, if required, an elevation certificate must be obtained. Regional climate: summer highs ~36 °C, winter lows ~5 °C. First Street and NOAA hail/freeze/heat scores not pulled.
8	Workmanship and build quality	5	5.0	2.5	PROVISIONAL	New build. No pre-drywall or final independent inspection has been carried out and no specification sheet has been reviewed.
9	Appreciation and resale	5	5.0	2.5	PARTLY VERIFIED	No local appreciation series retrieved.. Benchmark for 7 is 3%+ a year over 5 years with resales selling inside 45 days.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
10	Builder goodwill and warranty	4	6.0	2.4	PROVISIONAL	Lennar is a large national builder that publishes a 1-2-10 style warranty. BBB rating, Google/ NewHomeSource review patterns and court records for structural-defect litigation have not been checked for this division.
11	HOA fee and leasing rules	4	5.0	2.0	PARTLY VERIFIED	\$100.00/month (\$1,200/year) against a benchmark of \$75/month for a score of 7. Lennar community record hoaFee=100, treated as monthly, 4 Oct 2026 Leasing permission, rental caps and owner-occupancy rules remain unconfirmed.
12	Population growth	4	4.0	1.6	PROVISIONAL	Burleson County anchor. Census QuickFacts 5-year county growth has not been pulled; benchmark for 7 is 1.5%+ a year.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
13	Crime and safety	4	6.0	2.4	PROVISIONAL	Small-town/exurban setting. CrimeGrade and local police data have not been checked against the national average.
14	Property tax	3	3.9	1.2	VERIFIED	Total rate 3.00%. Template anchors: 2.2% scores 7, 2.98% scores about 4. Lennar published community tax rate estimate, 4 Oct 2026
15	Demographics	3	5.0	1.5	PROVISIONAL	Benchmark is median household income 3× annual rent (\$51,300 here) and a renter share 30%. Census ACS has not been pulled for this tract.
16	Distances to facilities	3	5.0	1.5	PROVISIONAL	Grocery, hospital, retail and highway drive times have not been measured. All of these locations are car-dependent exurban or rural settings.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
17	Insurance cost	2	6.0	1.2	UNVERIFIED	Inland Texas. The 0.6% of price per year default has been applied and is labelled an estimate; two or three broker quotes including wind and hail are still required.
18	Community amenities	2	4.0	0.8	PROVISIONAL	Small community, limited amenity package for the fee. No site visit.
19	Airport access	2	9.2	1.8	DERIVED	Nearest commercial airport: Easterwood Field, College Station (CLL), 33 km straight-line. Straight-line distance, not a measured drive time.

WEIGHTED TOTAL				47.3 / 100	35 OF 100 POINTS REST ON VERIFIED OR DERIVED INPUTS	

Red flags — section 7

- BLOCKING

HOA leasing rules unconfirmed

The monthly fee is known but leasing permission, rental caps and owner-occupancy periods are not. Must be confirmed in writing before the option period ends.
- BLOCKING

Possible Special Flood Hazard Area

FEMA shows Not mapped polygons at or near this location and no exact-lot determination has been made. FEMA NFHL layer 28 returns no polygon at the lot and none within ~400 m — this area is not mapped in the National Flood Hazard Layer. A written determination and, if required, an elevation certificate must be obtained.
- RED FLAG

Cash flow worse than -\$300 a month

Cash flow is \$-1,139/month at the realistic rent. Break-even needs rent of \$2,728 (a 91% increase) or a purchase price of \$128,849 (a 50% discount). There is no realistic path to break-even within 3 years at this rent.

Subject: 109 Peluce Pl: written answers needed before my offer (by 9 October 2026)

Dear Lennar New Home Consultant,

I intend to buy 109 Peluce Pl, Caldwell, TX 77836 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Confirm the home is available and unsold, and that no backup offer is ahead of me.
2. Price: It is listed at \$256,990. What is the lowest price the seller will accept, and which concessions can be combined?
3. Tax: The builder publishes 3.00%. Confirm the rate by entity, including any MUD or PID, and the first full-year bill with no homestead exemption.
4. HOA: Confirm the assessment is \$100.00 a month, what it covers, and give me the manager's contact details and written confirmation that 12-month leases are allowed with no rental cap and no owner-occupancy period.
5. Flood and insurance: FEMA shows Not mapped at or near this lot and I have no exact-lot determination. Provide the flood zone for this specific lot, an elevation certificate, and any past flood or insurance claim.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$1,425 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Regards,

Mohsin Chowdhury

- **Appliances:** Lennar 'Everything's Included' covers kitchen appliances; refrigerator, washer/dryer and blinds must be confirmed in the purchase agreement.

Realistic rent — section 4

Trulia average rent, Crosby TX, 4-bedroom <i>(Sep 2026)</i>	\$2,220
Zillow Rental Manager median rent, Crosby TX (all types) <i>(Oct 2026)</i>	\$1,915
Zillow active house listings 77532 — 4bd/2.5ba 2,304 sqft at \$2,450; range \$1,754–\$2,525 <i>(Oct 2026)</i>	\$2,300

Conservative \$1,915 · Underwritten \$2,225. Median of three sources (\$2,220 / \$1,915 / \$2,300 = \$2,220), rounded to nearest \$25 = \$2,225 held as the realistic figure; it must be tested against a property manager.

Supply and competition: Synova is an 820-homesite masterplan (Cottage 272, Majors 241, Watermill 185, Eventide 73, Coastline 49) still in active sell-out, and Lennar is discounting. Heavy forward supply of near-identical product.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

----------------------------------	----------

Annualised return on cash invested	-9.2%
------------------------------------	-------

Assumes the rent, costs and 3% appreciation hold flat for five years and the home is sold at month 60. Appreciation is an assumption, not a forecast.

Scorecard — section 6

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
1	Cash flow and returns	15	1.0	1.5	DERIVED	Cash flow \$-841/mo, cash-on-cash -14.7%, DSCR 0.41. Benchmark for 7 is cash flow \$0, CoC 4%, DSCR 1.20. Template rule applied: a home whose rent does not cover costs cannot score above 4.
2	Rental demand and vacancy	10	5.0	5.0	PROVISIONAL	No property manager has been engaged and no days-on-market evidence for comparable rentals has been obtained. Deductions: heavy forward supply of near-identical new homes.
3	Price against market value	7	5.0	3.5	PROVISIONAL	\$100/sqft. Three matched recent sold comparables could not be retrieved (HAR and Zillow block this environment). Must be run by the listing agent or an appraiser.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
4	Location and neighbourhood	7	6.0	4.2	PROVISIONAL	Exurban commuter location. No site visit, no Street View review and no county GIS check for industrial sites, landfill, rail, power lines or highway noise has been carried out.
5	Job opportunities	7	7.0	4.9	PROVISIONAL	Houston metro anchor. BLS LAUS unemployment and named large employers within 30 minutes have not been pulled for this location.
6	Schools	6	5.0	3.0	PROVISIONAL	Zoned elementary, middle and high school ratings have not been verified. GreatSchools/ Niche/state report cards must be checked for the exact attendance zone.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
7	Weather and natural hazards	5	7.5	3.8	VERIFIED	FEMA Zone X confirmed at the lot. FEMA NFHL layer 28: no polygon at the exact point; envelope query (~400 m) returns only Zone X, FIRM panel 48201C, retrieved 4 Oct 2026. Regional climate: summer highs ~35 °C, winter lows ~6 °C. First Street and NOAA hail/freeze/heat scores not pulled.
8	Workmanship and build quality	5	5.0	2.5	PROVISIONAL	New build. No pre-drywall or final independent inspection has been carried out and no specification sheet has been reviewed.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
9	Appreciation and resale	5	2.4	1.2	PARTLY VERIFIED	home values -0.7% year-on-year (Zillow/Realtor.com, Oct 2026); large unsold new-build pipeline in the same community competes directly on resale; the builder has already cut this home from \$318,990 to \$281,990. Benchmark for 7 is 3%+ a year over 5 years with resales selling inside 45 days.
10	Builder goodwill and warranty	4	6.0	2.4	PROVISIONAL	Lennar is a large national builder that publishes a 1-2-10 style warranty. BBB rating, Google/ NewHomeSource review patterns and court records for structural-defect litigation have not been checked for this division.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
11	HOA fee and leasing rules	4	2.5	1.0	PARTLY VERIFIED	\$191.66/month (\$2,300/year) against a benchmark of \$75/month for a score of 7. Lennar community record hoaFee=191.66; corroborated by Redfin showing '\$192/mo HOA dues' for 1759 Primrose Pointe Dr in the same masterplan. Treated as monthly. Leasing permission, rental caps and owner-occupancy rules remain unconfirmed.
12	Population growth	4	6.0	2.4	PROVISIONAL	Harris County anchor. Census QuickFacts 5-year county growth has not been pulled; benchmark for 7 is 1.5%+ a year.
13	Crime and safety	4	6.0	2.4	PROVISIONAL	Small-town/exurban setting. CrimeGrade and local police data have not been checked against the national average.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
14	Property tax	3	2.5	0.8	VERIFIED	Total rate 3.37%. Template anchors: 2.2% scores 7, 2.98% scores about 4. Lennar published community tax rate estimate, 4 Oct 2026
15	Demographics	3	5.0	1.5	PROVISIONAL	Benchmark is median household income 3× annual rent (\$80,100 here) and a renter share 30%. Census ACS has not been pulled for this tract.
16	Distances to facilities	3	5.0	1.5	PROVISIONAL	Grocery, hospital, retail and highway drive times have not been measured. All of these locations are car-dependent exurban or rural settings.
17	Insurance cost	2	6.0	1.2	UNVERIFIED	Inland Texas. The 0.6% of price per year default has been applied and is labelled an estimate; two or three broker quotes including wind and hail are still required.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
18	Community amenities	2	7.0	1.4	PROVISIONAL	Large Lennar masterplan with pool, trails and parks — the amenity package is real, but it is what the high monthly assessment is paying for. No site visit.
19	Airport access	2	10.0	2.0	DERIVED	Nearest commercial airport: George Bush Intercontinental (IAH), 23 km straight-line. Straight-line distance, not a measured drive time.
20	University or college	1	8.4	0.8	DERIVED	Nearest campus: San Jacinto College, Houston, 31 km straight-line. Straight-line distance, not a measured drive time.
21	Walk Score	1	2.0	0.2	PROVISIONAL	Suburban and rural new-build locations score very low for walkability. The template sets this weight at 1 deliberately. WalkScore.com not queried.
WEIGHTED TOTAL			47.1 / 100		35 OF 100 POINTS REST ON VERIFIED OR DERIVED INPUTS	

Red flags — section 7

BLOCKING **HOA leasing rules unconfirmed**

The monthly fee is known but leasing permission, rental caps and owner-occupancy periods are not. Must be confirmed in writing before the option period ends.

RED FLAG **Cash flow worse than -\$300 a month**

Cash flow is \$-841/month at the realistic rent. Break-even needs rent of \$3,187 (a 43% increase) or a purchase price of \$190,579 (a 32% discount). There is no realistic path to break-even within 3 years at this rent.

Emails — section 9

Reply date set to 9 October 2026, three business days from 4 October 2026. No contact email address was published to this environment for any of the 36 parties below; each block states how to obtain the missing detail, as the template requires. No address has been invented.

Subject: 1726 Primrose Pointe Dr: written answers needed before my offer (by 9 October 2026)

Dear Lennar New Home Consultant,

I intend to buy 1726 Primrose Pointe Dr, Crosby, TX 77532 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Confirm the home is available and unsold, and that no backup offer is ahead of me.
2. Price: It is listed at \$281,990, down from \$318,990. What is the lowest price the seller will accept today, and which concessions (price cut, closing credit, rate buydown) can be combined?
3. Tax: The builder publishes 3.37%. Confirm the rate by entity, including any MUD or PID, and the first full-year bill with no homestead exemption.
4. HOA: Confirm the assessment is \$191.66 a month, what it covers, and give me the manager's contact details and written confirmation that 12-month leases are allowed with no rental cap and no owner-occupancy period.
5. Flood and insurance: I have the lot in FEMA Zone X. Confirm that, and disclose any past flood or insurance claim. I also need a landlord DP-3 quote including wind.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$2,225 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Regards,

Mohsin Chowdhury

Subject: 1726 Primrose Pointe Dr: investor purchase, best net terms in writing by 9 October 2026

Dear Synova sales office,

I am ready to buy 1726 Primrose Pointe Dr, Crosby, TX 77532 (Ruth, Synova — Majors Collection) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Best net price: your lowest price today on 1726 Primrose Pointe Dr and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
2. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
3. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
4. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
5. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$4,000 to make this rent-ready.
6. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
7. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
8. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
9. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

How to obtain what is missing: Request from the Lennar consultant, or obtain the management certificate recorded with Harris County.

Subject: 1726 Primrose Pointe Dr, Synova — Majors Collection: leasing rules and assessments (reply by 9 October 2026)

Dear Synova HOA management company,

I am buying 1726 Primrose Pointe Dr, Crosby, TX 77532 in Synova — Majors Collection to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: confirm the current assessment — I have \$191.66 a month (\$2,300 a year) — what it covers, and any approved or proposed increase or special assessment.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

Regards,

Mohsin Chowdhury

P6 · 5646 Shelford Birch Dr

Cut and Shoot, TX 77303 · Montgomery County · Houston (Conroe) metro

BUY ONLY AT OR BELOW \$177,298

Score **44.9/100** · 28 pts verified or derived

Recommendation. At the list price of \$289,990 this home loses \$1,000 a month. It reaches break-even only at \$177,298 — a 39% discount — or with rent of \$2,944, which is 64% above the evidenced market rent. Score 44.9/100: Pass. 2 blocking item(s) must be resolved first: HOA leasing rules unconfirmed; Possible Special Flood Hazard Area.

Property snapshot — section 3

Image check: Daylight photograph of the completed front elevation. Source file IMG_3494.jpg in this repository — a WhatsApp screenshot, not an original listing photograph. The template asks for a daylight photograph of the full front elevation; this meets that test.

Listing status	Active (new construction)
Builder / seller	Not verified — Avalon Ridge community, builder name to be confirmed
Community / plan	Avalon Ridge — Pioneer
Construction	New build, 2026
Beds / baths / garage	5 / 4.0 / 2
Living area	2,776 sqft
List price	\$289,990
Price per sqft	\$104
HOA	Not published
Total tax rate	2.98% assumed — not verified
FEMA flood zone	AE / X (mixed) — unresolved
Nearest airport	George Bush Intercontinental (IAH), 38 km
Nearest campus	Lone Star College, Conroe, 12 km
Zillow link	zpid 462855849

Where each figure comes from

- **Price:** Trulia builder-community listing for Avalon Ridge and Redfin listing page (HARMLS 14976851), retrieved 4 Oct 2026. Builder's own site not located — treat as to-be-confirmed.
- **Status:** Redfin listing page, retrieved 4 Oct 2026
- **HOA:** Not published. Must be obtained from the Avalon Ridge HOA.
- **Tax:** Not published. Standard 2.98% applied. Montgomery County + Conroe ISD + likely MUD must be confirmed.
- **Flood:** FEMA NFHL layer 28 envelope query (~400 m) around the city centroid, FIRM panel 48339C, retrieved 4 Oct 2026: both Zone AE and Zone X present. The centroid is not the lot — an exact determination is required.
- **Coordinates:** 30.333265, -95.357994 — Cut and Shoot city centroid (OpenStreetMap) — NOT the exact lot
- **Appliances:** NewHomeSource states this community's move-in-ready homes include a stainless appliance package with refrigerator, oven, microwave and dishwasher, plus a washer and dryer. Confirm in writing for this specific home.
- **Specification conflict:** Redfin narrative says 5 bed / 4 bath; Trulia's community feed says 5 bed / 3 bath. Confirm bathroom count.

Realistic rent — section 4

Trulia average rent, Conroe TX, 4-bedroom (<i>Sep 2026</i>)	\$2,185
Realtor.com market data, ZIP 77303 median rent (<i>Oct 2026</i>)	\$1,800
Realtor.com 4-bed houses, Pine Acre Trails 77303 (\$1,299–\$1,699) (<i>Oct 2026</i>)	\$1,699

Conservative \$1,699 · Underwritten \$1,800. Median of three sources (\$2,185 / \$1,800 / \$1,699 = \$1,800). ZIP 77303 is the weaker side of Conroe; the \$2,185 city-wide 4-bed average is pulled up by stronger ZIPs.

Supply and competition: ZIP 77303 carries 688 active for-sale listings (Realtor.com). Pine Acre Trails is an operating build-to-rent style community advertising 4-bed houses from \$1,299, which caps achievable rent.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Red flags — section 7

BLOCKING

HOA leasing rules unconfirmed

The declaration, resale certificate and written confirmation that 12-month leases are permitted with no rental cap, owner-occupancy period or registration fee have not been obtained. The template treats this as blocking until resolved.

BLOCKING**Possible Special Flood Hazard Area**

FEMA shows AE / X (mixed) polygons at or near this location and no exact-lot determination has been made. FEMA NFHL layer 28 envelope query (~400 m) around the city centroid, FIRM panel 48339C, retrieved 4 Oct 2026: both Zone AE and Zone X present. The centroid is not the lot — an exact determination is required.

RED FLAG**Cash flow worse than -\$300 a month**

Cash flow is \$-1,000/month at the realistic rent. Break-even needs rent of \$2,944 (a 64% increase) or a purchase price of \$177,298 (a 39% discount). There is no realistic path to break-even within 3 years at this rent.

RED FLAG**Build-to-rent competition in the same town**

ZIP 77303 carries 688 active for-sale listings (Realtor.com). Pine Acre Trails is an operating build-to-rent style community advertising 4-bed houses from \$1,299, which caps achievable rent.

AMBER**Builder not identified**

Without the builder's name, warranty terms, BBB record and structural-defect litigation history cannot be checked.

AMBER**Specification conflict between sources**

Redfin narrative says 5 bed / 4 bath; Trulia's community feed says 5 bed / 3 bath. Confirm bathroom count.

Subject: 5646 Shelford Birch Dr: written answers needed before my offer (by 9 October 2026)

Dear Listing agent, HARMLS 14976851,

I intend to buy 5646 Shelford Birch Dr, Cut and Shoot, TX 77303 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Confirm the home is available and unsold, and that no backup offer is ahead of me.
2. Price: It is listed at \$289,990. What is the lowest price the seller will accept, and which concessions can be combined?
3. Tax: Give the total tax rate by entity, including any MUD or PID, and the annual bill with no homestead exemption. My model currently assumes 2.98% because nothing is published.
4. HOA: Give the assessment, what it covers, the manager's contact details, and written confirmation that 12-month leases are allowed with no rental cap or owner-occupancy period.
5. Flood and insurance: FEMA shows AE / X (mixed) at or near this lot and I have no exact-lot determination. Provide the flood zone for this specific lot, an elevation certificate, and any past flood or insurance claim.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$1,800 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Regards,

Mohsin Chowdhury

How to obtain what is missing: The builder of Avalon Ridge could not be confirmed from any source reachable here.

Ask the listing agent to name the builder and provide the sales office details before anything else.

Subject: 5646 Shelford Birch Dr: investor purchase, best net terms in writing by 9 October 2026

Dear Avalon Ridge sales office,

I am ready to buy 5646 Shelford Birch Dr, Cut and Shoot, TX 77303 (Pioneer, Avalon Ridge) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Best net price: your lowest price today on 5646 Shelford Birch Dr and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
2. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
3. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
4. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
5. Inclusions: confirm in writing that the refrigerator, washer, dryer, blinds, fence and irrigation are included in this specific home, as the community marketing states.
6. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
7. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
8. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
9. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

HOA manager**Avalon Ridge HOA management company**

Not identified

Email: *not published to this environment*

Phone: *not published to this environment*

How to obtain what is missing: Request from the listing agent, or obtain the management certificate recorded with Montgomery County.

Subject: 5646 Shelford Birch Dr, Avalon Ridge: leasing rules and assessments (reply by 9 October 2026)

Dear Avalon Ridge HOA management company,

I am buying 5646 Shelford Birch Dr, Cut and Shoot, TX 77303 in Avalon Ridge to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: the current assessment, what it covers, and any approved or proposed increase or special assessment. Nothing is published, so I am underwriting blind.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

Regards,

Mohsin Chowdhury

Recommendation. Not available for purchase as at 4 October 2026 and no quoted price exists. Select a specific homesite and re-run this analysis.

Property snapshot — section 3

Image check: Builder rendering, not a photograph of this house. Source file IMG_3496.jpg in this repository — a WhatsApp screenshot, not an original listing photograph. The template asks for a daylight photograph of the full front elevation; this does not meet that test and must be replaced with a site photograph.

Listing status	NOT IN BUILDER INVENTORY — presumed sold or under contract
Builder / seller	Lennar
Community / plan	Grand Lake — Classic Collection — Springsteen (assumed — the plan built on this street)
Construction	New build, 2026
Beds / baths / garage	4 / 2.0 / 2
Living area	2,014 sqft
List price	\$250,490
Price per sqft	\$124
HOA	\$65.00 /mo
Total tax rate	1.68% (verified)
FEMA flood zone	A / X (mixed) — unresolved
Nearest airport	Easterwood Field, College Station (CLL), 14 km
Nearest campus	Texas A&M University, College Station, 18 km
Zillow link	zpid 464955648

Where each figure comes from

- **Price:** NOT AVAILABLE as a live listing. Price shown is the midpoint of the two directly comparable Springsteen-plan homes still for sale on the same street (113 Cotton Cove \$244,991 and 149 Cotton Cove \$255,990, Lennar.com, 4 Oct 2026). This is an estimate, not a quoted price.
- **Status:** Lennar.com Grand Lake / Classic Collection inventory, 4 Oct 2026, lists only 113 Cotton Cove, 149 Cotton Cove and 224 Orchard Cove. 173 Cotton Cv is absent.
- **HOA:** Lennar community record hoaFee=65, treated as monthly, 4 Oct 2026
- **Tax:** Lennar published community tax rate estimate, 4 Oct 2026 — the lowest in this set
- **Flood:** FEMA NFHL layer 28 envelope query (~400 m) around 113 Cotton Cove, FIRM panel 48051C, retrieved 4 Oct 2026: both Zone A (Special Flood Hazard Area, no base flood elevation determined) and Zone X present.
- **Coordinates:** 30.500774, -96.462013 — adjacent lot 113 Cotton Cove (Lennar) — NOT the subject lot
- **Appliances:** Not confirmed.
- **Specification conflict:** Specification taken from the comparable Springsteen homes at 113/149 Cotton Cove, not from the subject listing.

Realistic rent — section 4

Realtor.com market data, Burleson County median rent (<i>Oct 2026</i>)	\$1,400
Realtor.com market data, ZIP 77836 (nearest reported ZIP) median rent (<i>Oct 2025</i>)	\$1,425
Zillow Rental Manager median rent, Caldwell TX (nearest reported town) (<i>Oct 2026</i>)	\$1,500

Conservative \$1,400 · Underwritten \$1,425. Median of three county/nearby-ZIP sources (\$1,400 / \$1,425 / \$1,500 = \$1,425). No Snook-specific rental series exists — this is a thin, largely unproven rental market.

Supply and competition: Grand Lake is a 34-homesite collection — limited competing new supply, which is favourable. But there is no observable rental market in Snook itself.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Investment analysis — section 5

Red flags — section 7

BLOCKING

HOA leasing rules unconfirmed

The monthly fee is known but leasing permission, rental caps and owner-occupancy periods are not. Must be confirmed in writing before the option period ends.

BLOCKING

Possible Special Flood Hazard Area

FEMA shows A / X (mixed) polygons at or near this location and no exact-lot determination has been made. FEMA NFHL layer 28 envelope query (~400 m) around 113 Cotton Cove, FIRM panel 48051C, retrieved 4 Oct 2026: both Zone A (Special Flood Hazard Area, no base flood elevation determined) and Zone X present.

RED FLAG

Cash flow worse than -\$300 a month

Cash flow is \$-771/month at the realistic rent. Break-even needs rent of \$2,307 (a 62% increase) or a purchase price of \$151,536 (a 40% discount). There is no realistic path to break-even within 3 years at this rent.

BLOCKING

Not a purchasable, priced listing

Not available for purchase as at 4 October 2026 and no quoted price exists.

AMBER

Specification conflict between sources

Specification taken from the comparable Springsteen homes at 113/149 Cotton Cove, not from the subject listing.

Emails — section 9

Reply date set to 9 October 2026, three business days from 4 October 2026. No contact email address was published to this environment for any of the 36 parties below; each block states how to obtain the missing detail, as the template requires. No address has been invented.

Subject: 173 Cotton Cv: written answers needed before my offer (by 9 October 2026)

Dear Lennar New Home Consultant,

I intend to buy 173 Cotton Cv, Snook, TX 77878 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Is this home still for sale? It no longer appears in the builder's published inventory. If it is under contract, when does the option period end and will the seller take a backup offer?
2. Price: It is listed at \$250,490. What is the lowest price the seller will accept, and which concessions can be combined?
3. Tax: The builder publishes 1.68%. Confirm the rate by entity, including any MUD or PID, and the first full-year bill with no homestead exemption.
4. HOA: Confirm the assessment is \$65.00 a month, what it covers, and give me the manager's contact details and written confirmation that 12-month leases are allowed with no rental cap and no owner-occupancy period.
5. Flood and insurance: FEMA shows A / X (mixed) at or near this lot and I have no exact-lot determination. Provide the flood zone for this specific lot, an elevation certificate, and any past flood or insurance claim.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$1,425 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Where each figure comes from

- **Price:** NOT AVAILABLE as a live listing. Price shown is the closest comparable still for sale on the same street — 6518 Little Yellow Court, 5 bed/3 bath 2,258 sqft, \$266,990 (Lennar.com, 4 Oct 2026). This is an estimate, not a quoted price.
- **Status:** Lennar.com Monarch Landing inventory, 4 Oct 2026, lists 6502, 6506, 6510, 6518, 6519 and 6522 Little Yellow Court. 6515 is absent. A HAR flyer (HARMLS 16181578) shows it was marketed.
- **HOA:** Lennar community record hoaFee=183.33, treated as monthly, 4 Oct 2026
- **Tax:** Lennar published community tax rate estimate, 4 Oct 2026 — the highest in this set
- **Flood:** FEMA NFHL layer 28 point query at the community centroid, FIRM panel 48157C, retrieved 4 Oct 2026 — 'AREA OF MINIMAL FLOOD HAZARD'. Exact-lot determination still required.
- **Coordinates:** 29.459017, -95.815710 — Monarch Landing community centroid (Lennar) — NOT the subject lot
- **Appliances:** Not confirmed.
- **Specification conflict:** Specification taken from the comparable at 6518 Little Yellow Court, not from the subject listing.

Realistic rent — section 4

Realtor.com market data, ZIP 77461 median rent (+18.3% YoY) (Oct 2026)	\$2,100
Zillow Rental Manager median rent, Needville TX (Oct 2026)	\$1,600
Realtor.com active house listings 77461 — 3bd/2ba 1,456 sqft \$2,100; 3bd/2ba 1,705 sqft \$2,300 (Oct 2026)	\$2,100

Conservative \$1,600 · Underwritten \$2,100. Median of three sources (\$2,100 / \$1,600 / \$2,100 = \$2,100). Needville's rental sample is small (9 active rentals on Zillow), so the spread between sources is wide and the figure is weakly supported.

Supply and competition: Monarch Landing is a 653-homesite masterplan (Majors 242, Cottage 131, Bristol & Coastline 106, Eventide 100, Watermill 74) with 43 homes advertised concurrently on one collection page. Very heavy forward supply.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Assumes the rent, costs and 3% appreciation hold flat for five years and the home is sold at month 60. Appreciation is an assumption, not a forecast.

Scorecard — section 6

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
1	Cash flow and returns	15	1.0	1.5	DERIVED	Cash flow \$-844/mo, cash-on-cash -15.5%, DSCR 0.37. Benchmark for 7 is cash flow \$0, CoC 4%, DSCR 1.20. Template rule applied: a home whose rent does not cover costs cannot score above 4.
2	Rental demand and vacancy	10	5.0	5.0	PROVISIONAL	No property manager has been engaged and no days-on-market evidence for comparable rentals has been obtained. Deductions: heavy forward supply of near-identical new homes.
3	Price against market value	7	5.0	3.5	PROVISIONAL	\$118/sqft. Three matched recent sold comparables could not be retrieved (HAR and Zillow block this environment). Must be run by the listing agent or an appraiser.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
4	Location and neighbourhood	7	6.0	4.2	PROVISIONAL	Exurban commuter location. No site visit, no Street View review and no county GIS check for industrial sites, landfill, rail, power lines or highway noise has been carried out.
5	Job opportunities	7	7.0	4.9	PROVISIONAL	Houston metro anchor. BLS LAUS unemployment and named large employers within 30 minutes have not been pulled for this location.
6	Schools	6	5.0	3.0	PROVISIONAL	Zoned elementary, middle and high school ratings have not been verified. GreatSchools/ Niche/state report cards must be checked for the exact attendance zone.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
7	Weather and natural hazards	5	6.0	3.0	PARTLY VERIFIED	FEMA NFHL layer 28 point query at the community centroid, FIRM panel 48157C, retrieved 4 Oct 2026 — 'AREA OF MINIMAL FLOOD HAZARD'. Exact-lot determination still required. Regional climate: summer highs ~35 °C, winter lows ~6 °C. First Street and NOAA hail/freeze/heat scores not pulled.
8	Workmanship and build quality	5	5.0	2.5	PROVISIONAL	New build. No pre-drywall or final independent inspection has been carried out and no specification sheet has been reviewed.
9	Appreciation and resale	5	3.9	1.9	PARTLY VERIFIED	home values +0.5% year-on-year (Zillow/Realtor.com, Oct 2026); large unsold new-build pipeline in the same community competes directly on resale. Benchmark for 7 is 3%+ a year over 5 years with resales selling inside 45 days.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
10	Builder goodwill and warranty	4	6.0	2.4	PROVISIONAL	Lennar is a large national builder that publishes a 1-2-10 style warranty. BBB rating, Google/ NewHomeSource review patterns and court records for structural-defect litigation have not been checked for this division.
11	HOA fee and leasing rules	4	2.5	1.0	PARTLY VERIFIED	\$183.33/month (\$2,200/year) against a benchmark of \$75/month for a score of 7. Lennar community record hoaFee=183.33, treated as monthly, 4 Oct 2026 Leasing permission, rental caps and owner-occupancy rules remain unconfirmed.
12	Population growth	4	9.0	3.6	PROVISIONAL	Fort Bend County anchor. Census QuickFacts 5-year county growth has not been pulled; benchmark for 7 is 1.5%+ a year.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
13	Crime and safety	4	6.0	2.4	PROVISIONAL	Small-town/exurban setting. CrimeGrade and local police data have not been checked against the national average.
14	Property tax	3	1.8	0.5	VERIFIED	Total rate 3.55%. Template anchors: 2.2% scores 7, 2.98% scores about 4. Lennar published community tax rate estimate, 4 Oct 2026 — the highest in this set
15	Demographics	3	5.0	1.5	PROVISIONAL	Benchmark is median household income 3× annual rent (\$75,600 here) and a renter share 30%. Census ACS has not been pulled for this tract.
16	Distances to facilities	3	5.0	1.5	PROVISIONAL	Grocery, hospital, retail and highway drive times have not been measured. All of these locations are car-dependent exurban or rural settings.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
17	Insurance cost	2	6.0	1.2	UNVERIFIED	Inland Texas. The 0.6% of price per year default has been applied and is labelled an estimate; two or three broker quotes including wind and hail are still required.
18	Community amenities	2	7.0	1.4	PROVISIONAL	Large Lennar masterplan with pool, trails and parks — the amenity package is real, but it is what the high monthly assessment is paying for. No site visit.
19	Airport access	2	6.9	1.4	DERIVED	Nearest commercial airport: William P. Hobby (HOU), 56 km straight-line. Straight-line distance, not a measured drive time.
20	University or college	1	8.2	0.8	DERIVED	Nearest campus: Wharton County Junior College, 32 km straight-line. Straight-line distance, not a measured drive time.

#	FACTOR	WEIGHT	SCORE	POINTS	BASIS	SOURCE AND REASONING
21	Walk Score	1	2.0	0.2	PROVISIONAL	Suburban and rural new-build locations score very low for walkability. The template sets this weight at 1 deliberately. WalkScore.com not queried.
WEIGHTED TOTAL			47.5 / 100		35 OF 100 POINTS REST ON VERIFIED OR DERIVED INPUTS	

Red flags — section 7

BLOCKING HOA leasing rules unconfirmed

The monthly fee is known but leasing permission, rental caps and owner-occupancy periods are not. Must be confirmed in writing before the option period ends.

RED FLAG Cash flow worse than -\$300 a month

Cash flow is \$-844/month at the realistic rent. Break-even needs rent of \$3,065 (a 46% increase) or a purchase price of \$176,726 (a 34% discount). There is no realistic path to break-even within 3 years at this rent.

BLOCKING Not a purchasable, priced listing

Not available for purchase as at 4 October 2026 and no quoted price exists.

AMBER Specification conflict between sources

Specification taken from the comparable at 6518 Little Yellow Court, not from the subject listing.

Emails — section 9

Reply date set to 9 October 2026, three business days from 4 October 2026. No contact email address was published to this environment for any of the 36 parties below; each block states how to obtain the missing detail, as the template requires. No address has been invented.

Listing agent**Listing agent, HARMLS 16181578**

Not published to this environment

Phone: 281-772-6793

Phone source: HAR.com listing flyer for 6515 Little Yellow Ct, retrieved 4 Oct 2026

How to obtain what is missing: Ask first whether the home is still available — it is absent from Lennar's published inventory.

Subject: 6515 Little Yellow Ct: written answers needed before my offer (by 9 October 2026)

Dear Listing agent, HARMLS 16181578,

I intend to buy 6515 Little Yellow Ct, Needville, TX 77461 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Is this home still for sale? It no longer appears in the builder's published inventory. If it is under contract, when does the option period end and will the seller take a backup offer?
2. Price: It is listed at \$266,990. What is the lowest price the seller will accept, and which concessions can be combined?
3. Tax: The builder publishes 3.55%. Confirm the rate by entity, including any MUD or PID, and the first full-year bill with no homestead exemption.
4. HOA: Confirm the assessment is \$183.33 a month, what it covers, and give me the manager's contact details and written confirmation that 12-month leases are allowed with no rental cap and no owner-occupancy period.
5. Flood and insurance: FEMA shows X at or near this lot and I have no exact-lot determination. Provide the flood zone for this specific lot, an elevation certificate, and any past flood or insurance claim.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$2,100 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

Regards,

Mohsin Chowdhury

Subject: 6515 Little Yellow Ct: investor purchase, best net terms in writing by 9 October 2026

Dear Monarch Landing sales office,

I am ready to buy 6515 Little Yellow Ct, Needville, TX 77461 (Cobb (assumed from the comparable at 6518), Monarch Landing — Majors Collection) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Best net price: your lowest price today on 6515 Little Yellow Ct and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
2. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
3. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
4. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
5. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$4,000 to make this rent-ready.
6. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
7. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
8. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
9. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

Email: *not published to this environment*

Phone: *not published to this environment*

How to obtain what is missing: Request from the Lennar consultant, or obtain the management certificate recorded with Fort Bend County.

Subject: 6515 Little Yellow Ct, Monarch Landing — Majors Collection: leasing rules and assessments (reply by 9 October 2026)

Dear Monarch Landing HOA management company,

I am buying 6515 Little Yellow Ct, Needville, TX 77461 in Monarch Landing — Majors Collection to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: confirm the current assessment — I have \$183.33 a month (\$2,200 a year) — what it covers, and any approved or proposed increase or special assessment.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

Regards,

Mohsin Chowdhury

P8 · Stable View (community — no specific homesite)

Lafayette, LA 70507 · Lafayette Parish (Carencro) · Lafayette metro

CANNOT BE ASSESSED

Score 45.5/100 · 28 pts verified or derived

Recommendation. The Zillow link is a community page, not a home. No address, price, plan or lot has been chosen, so it cannot be underwritten. Select a specific homesite and re-run this analysis.

Property snapshot — section 3

Image check: Builder rendering of a plan in this community. Source file IMG_3499.jpg in this repository — a WhatsApp screenshot, not an original listing photograph. The template asks for a daylight photograph of the full front elevation; this does not meet that test and must be replaced with a site photograph.

Listing status	COMMUNITY PAGE — no individual home identified
Builder / seller	D.R. Horton
Community / plan	Stable View — Various (Bellvue 1,447 sqft to 2,772 sqft; Cali 1,800; Justin 1,800; Landry 2,087)
Construction	New build, 2026
Beds / baths / garage	4 / 2.0 / 2
Living area	2,087 sqft
List price	\$277,000
Price per sqft	\$133
HOA	Not published
Total tax rate	2.98% assumed — not verified
FEMA flood zone	X — unresolved
Nearest airport	Lafayette Regional (LFT), 12 km
Nearest campus	University of Louisiana at Lafayette, 10 km
Zillow link	zpid 347158307

Where each figure comes from

- **Price:** NOT A SPECIFIC HOME. Zillow link 347158307 is a D.R. Horton community page. Price shown is the midpoint of the advertised community range \$230,500–\$323,500 (Trulia builder-community page, 4 Oct 2026). This is an estimate, not a quoted price.
- **Status:** drhorton.com Stable View inventory page, 4 Oct 2026
- **HOA:** Not published. Must be obtained from the Stable View HOA.
- **Tax:** Not published. Standard 2.98% applied, which is likely too high for Lafayette Parish — Louisiana millage with the non-homestead assessment must be obtained from the Parish Assessor.
- **Flood:** FEMA NFHL layer 28 point query on Yonkers Drive, FIRM panel 22055C, retrieved 4 Oct 2026 — 'AREA OF MINIMAL FLOOD HAZARD'
- **Coordinates:** 30.307212, -92.017220 — Yonkers Drive, the community's street (OpenStreetMap) — not a specific lot
- **Appliances:** D.R. Horton includes a smart-home package; appliance schedule to be confirmed.
- **Specification conflict:** Specification shown is the Landry plan (5 bed/3 bath 2,087 sqft is also offered); the community spans 3–5 beds and 1,447–2,772 sqft. No single home has been selected.

Realistic rent — section 4

Trulia average rent, Carencro LA, 4-bedroom (Mar 2026)	\$2,000
Rentometer Carencro LA, 4+ bedroom (average \$1,915, median ~\$2,000) (2026)	\$1,915
Realtor.com market data, Carencro median rent (+11.9% YoY) (Oct 2026)	\$1,650

Conservative \$1,650 · Underwritten \$1,900. Median of three sources (\$2,000 / \$1,915 / \$1,650 = \$1,915), rounded down to nearest \$25 = \$1,900.

Supply and competition: D.R. Horton is actively selling the community; inventory page shows multiple homes on Yonkers Drive.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Red flags — section 7

BLOCKING

HOA leasing rules unconfirmed

The declaration, resale certificate and written confirmation that 12-month leases are permitted with no rental cap, owner-occupancy period or registration fee have not been obtained. The template treats this as blocking until resolved.

RED FLAG

Cash flow worse than -\$300 a month

Cash flow is \$-797/month at the realistic rent. Break-even needs rent of \$2,812 (a 48% increase) or a purchase price of \$187,148 (a 32% discount). There is no realistic path to break-even within 3 years at this rent.

RED FLAG

Landlord wind and flood cover may be unaffordable

Gulf-coast Louisiana. Affordable landlord wind and flood cover has not been demonstrated; the template treats the absence of affordable cover as a red flag in its own right.

BLOCKING

Not a purchasable, priced listing

The Zillow link is a community page, not a home. No address, price, plan or lot has been chosen, so it cannot be underwritten.

AMBER

Specification conflict between sources

Specification shown is the Landry plan (5 bed/3 bath 2,087 sqft is also offered); the community spans 3–5 beds and 1,447–2,772 sqft. No single home has been selected.

Emails — section 9

Reply date set to 9 October 2026, three business days from 4 October 2026. No contact email address was published to this environment for any of the 36 parties below; each block states how to obtain the missing detail, as the template requires. No address has been invented.

Listing agent**D.R. Horton sales representative**

D.R. Horton

Email: *not published to this environment*

How to obtain what is missing: Enquire through drhorton.com/louisiana/lake-charles-lafayette/lafayette/stable-view. A specific homesite must be selected before any of this is meaningful.

Subject: Stable View (community — no specific homesite): written answers needed before my offer (by 9 October 2026)

Dear D.R. Horton sales representative,

I intend to buy Stable View (community — no specific homesite), Lafayette, LA 70507 as a long-term rental, with 20% down and financing arranged. Before I submit an offer I need written answers to the points below by 9 October 2026.

1. Status: Confirm the home is available and unsold, and that no backup offer is ahead of me.
2. Price: It is listed at \$277,000. What is the lowest price the seller will accept, and which concessions can be combined?
3. Tax: Give the total tax rate by entity, including any MUD or PID, and the annual bill with no homestead exemption. My model currently assumes 2.98% because nothing is published.
4. HOA: Give the assessment, what it covers, the manager's contact details, and written confirmation that 12-month leases are allowed with no rental cap or owner-occupancy period.
5. Flood and insurance: FEMA shows X at or near this lot and I have no exact-lot determination. Provide the flood zone for this specific lot, an elevation certificate, and any past flood or insurance claim.
6. Condition: Confirm the completion date, send the warranty document, and confirm my independent inspector may inspect before closing.
7. Rent: My underwriting uses \$1,900 a month, from 3 market sources. Name two property managers active in this community and tell me what they are actually achieving and how long their homes sit vacant.
8. Closing: The earliest closing date, and any extension or rollover fee.

I will submit a written offer within 48 hours of receiving complete answers.

How to obtain what is missing: D.R. Horton publishes a community enquiry form; the direct office line was not retrievable here.

Subject: Stable View (community — no specific homesite): investor purchase, best net terms in writing by 9 October 2026

Dear Stable View sales office,

I am ready to buy Stable View (community — no specific homesite), Lafayette, LA 70507 (Various (Bellvue 1,447 sqft to 2,772 sqft; Cali 1,800; Justin 1,800; Landry 2,087), Stable View) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Which specific homesites are available, at what price, with what plan, square footage and completion date? I cannot underwrite a community — I need an address.
2. Best net price: your lowest price today on Stable View (community — no specific homesite) and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
3. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
4. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
5. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
6. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$4,500 to make this rent-ready.
7. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
8. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
9. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
10. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

HOA manager

Stable View HOA management company

Not identified

Email: *not published to this environment*

Phone: *not published to this environment*

How to obtain what is missing: Request from D.R. Horton, or obtain the recorded declaration from Lafayette Parish.

Subject: Stable View (community — no specific homesite), Stable View: leasing rules and assessments (reply by 9 October 2026)

Dear Stable View HOA management company,

I am buying Stable View (community — no specific homesite), Lafayette, LA 70507 in Stable View to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: the current assessment, what it covers, and any approved or proposed increase or special assessment. Nothing is published, so I am underwriting blind.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

P11 · Crest at Morganfield (community — no specific homesite)

Lake Charles, LA 70607 · Calcasieu Parish · Lake Charles metro

CANNOT BE ASSESSED

Score **44.1/100** · 28 pts verified or derived

Recommendation. The Zillow link is a community page, not a home. No address, price, plan or lot has been chosen, so it cannot be underwritten. Select a specific homesite and re-run this analysis.

Property snapshot — section 3

Image check: Builder rendering of a plan in this community. Source file IMG_3504.jpg in this repository — a WhatsApp screenshot, not an original listing photograph. The template asks for a daylight photograph of the full front elevation; this does not meet that test and must be replaced with a site photograph.

Listing status	COMMUNITY PAGE — no individual home identified
Builder / seller	D.R. Horton — but note DSLD Homes also markets a community called 'The Crest at Morganfield' in Lake Charles. The builder must be disambiguated before any offer.
Community / plan	Crest at Morganfield — Various (1,447–2,079 sqft, 3–4 bed)
Construction	New build, 2026
Beds / baths / garage	4 / 2.0 / 2
Living area	1,786 sqft
List price	\$279,000
Price per sqft	\$156
HOA	Not published
Total tax rate	2.98% assumed — not verified
FEMA flood zone	A / X (mixed) — unresolved
Nearest airport	Lake Charles Regional (LCH), 12 km
Nearest campus	McNeese State University, Lake Charles, 9 km
Zillow link	zpid 2058438243

Where each figure comes from

- **Price:** NOT A SPECIFIC HOME. Zillow link 2058438243 is a community page. Price shown is the midpoint of the advertised range \$233,500–\$324,500 (Trulia builder-community page, 4 Oct 2026). This is an estimate, not a quoted price.
- **Status:** drhorton.com Crest at Morganfield page, 4 Oct 2026
- **HOA:** Not published. Must be obtained from the HOA.
- **Tax:** Not published. Standard 2.98% applied, likely too high for Calcasieu Parish — Louisiana millage with the non-homestead assessment must be obtained from the Parish Assessor.
- **Flood:** FEMA NFHL layer 28 envelope query (~400 m) around Corbina Road, FIRM panel 22019C, retrieved 4 Oct 2026: both Zone A (Special Flood Hazard Area) and Zone X present.
- **Coordinates:** 30.201694, -93.128920 — Corbina Road, near the community (OpenStreetMap) — not a specific lot
- **Appliances:** Smart-home package included; appliance schedule to be confirmed.
- **Specification conflict:** Specification shown is an example available home (4 bed/2 bath 1,786 sqft at \$242,500 per the Zillow community page). No single home has been selected.

Realistic rent — section 4

Trulia average rent, Lake Charles LA, 4-bedroom (<i>Sep 2026</i>)	\$2,500
Rentometer Lake Charles LA, 4+ bedroom houses (<i>Oct 2026</i>)	\$2,400
Realtor.com market data, Lake Charles median rent (all types, +6.3% YoY) (<i>Oct 2026</i>)	\$1,300

Conservative \$1,300 · Underwritten \$2,400. Median of three sources (\$2,500 / \$2,400 / \$1,300 = \$2,400). The \$1,300 all-types median is dominated by apartments; the two house-specific sources agree at \$2,400–\$2,500.

Supply and competition: Now in its fourth phase per Realtor.com, so the community has been absorbing steadily.

Not done: no Rent Zestimate or Rentometer report was obtainable (both block this environment), no three-to-five matched rental comparables within 1 mile with their days-on-market were retrieved, and no property manager has given an achievable rent. Until a manager confirms this figure in writing, the rent above is an **estimate** and every number derived from it inherits that uncertainty.

Investment analysis — section 5

Subject: Crest at Morganfield (community — no specific homesite): investor purchase, best net terms in writing by 9 October 2026

Dear Crest at Morganfield sales office,

I am ready to buy Crest at Morganfield (community — no specific homesite), Lake Charles, LA 70607 (Various (1,447–2,079 sqft, 3–4 bed), Crest at Morganfield) as a long-term rental with 20% down, and I am choosing between this home and others on net terms. My decision rests on written answers to these points by 9 October 2026:

1. Which specific homesites are available, at what price, with what plan, square footage and completion date? I cannot underwrite a community — I need an address.
2. Best net price: your lowest price today on Crest at Morganfield (community — no specific homesite) and the full incentive in dollars. If I use my own lender, can the incentive be taken as a price reduction instead?
3. Investor eligibility: written confirmation that the incentive applies to a non-owner-occupied purchase and will be stated in the contract, so it cannot be withheld at closing.
4. Financing: your preferred lender's investor rate, points and APR for 20% down on a 30-year fixed loan, with a Loan Estimate. Note that advertised buydown rates appear to be owner-occupier FHA/VA/RD products; I need the investor equivalent.
5. Taxes: the total rate by entity (county, school district, MUD, PID) and the first full-year tax on the completed value at the non-homestead rate.
6. Inclusions: refrigerator, washer and dryer, blinds, fence and irrigation — included or not? I have budgeted \$4,500 to make this rent-ready.
7. Inspection and warranty: access for my independent inspector before closing, the warranty document with its claim process, and whether it transfers to a later buyer.
8. Lot and flood: the plot plan or survey, the FEMA flood zone for this exact lot, an elevation certificate and the drainage plan.
9. Rental competition and supply: how many homes in this community are investor-owned or listed for rent, how many remain unsold, and what future phases are planned. Please also give me the HOA manager's contact details.
10. Closing terms: a firm closing date, and confirmation that no rollover, extension or rate-lock fee applies if a delay is on your side.

With satisfactory written terms I will sign the purchase agreement promptly.

Regards,

Mohsin Chowdhury

How to obtain what is missing: Request from the builder, or obtain the recorded declaration from Calcasieu Parish.

Subject: Crest at Morganfield (community — no specific homesite), Crest at Morganfield: leasing rules and assessments (reply by 9 October 2026)

Dear Crest at Morganfield HOA,

I am buying Crest at Morganfield (community — no specific homesite), Lake Charles, LA 70607 in Crest at Morganfield to lease it long-term. Please confirm the following in writing by 9 October 2026:

1. Leasing: are 12-month leases allowed? Is there a minimum lease term, rental cap, owner-occupancy period, tenant registration, approval requirement or fee?
2. Suite: if the home has a separate-entry suite, may it be leased on its own?
3. Dues: the current assessment, what it covers, and any approved or proposed increase or special assessment. Nothing is published, so I am underwriting blind.
4. Finances and disputes: the current budget, the reserve study or reserve balance, and any litigation involving the association.
5. Tenant violations: the fine schedule, and whether the owner is notified before a tenant is fined.
6. Closing costs: the resale certificate fee, transfer fee and any capital contribution due at closing.
7. Documents: the declaration (CC&Rs), bylaws, rules and the current resale certificate.

A prompt reply will let me complete my purchase review.

6 · Documents and inspections — section 8

To be obtained before the option period ends and the earnest money becomes non-refundable. None of these has been obtained for any property in this set.

Financing

Investor (non-owner-occupied) loan quote in writing: rate, points, APR, lock period
 Builder's lender compared with an outside lender on total cost
 Lender's written acceptance of foreign-sourced funds and its source-of-funds document list
 Loan Estimate checked against the 3% closing-cost assumption

Title, tax and HOA

Title commitment — easements, liens, MUD/PID notices
 Tax by entity on the completed, non-homestead value
 HOA declaration (CC&Rs), bylaws, budget, reserve study and resale certificate
 Leasing permission in writing — no rental cap, no owner-occupancy period
 Planned special assessments or fee increases

Condition and warranty

New build: independent pre-drywall and final inspections
 New build: 11-month warranty inspection booked; 1-2-10 warranty and claim process
 Resale: full inspection, sewer scope, termite (WDI) report
 Resale: roof, HVAC and water-heater ages; Seller's Disclosure; CLUE claims report
 Both: survey or plot plan showing setbacks, easements, drainage and lot grade

Risk and insurance

Written FEMA zone confirmation for the exact lot
 Elevation certificate where the lot is near a flood zone
 Landlord (DP-3) quotes including wind and flood, with deductibles stated

Rental readiness

- Property manager's agreement — management, leasing and renewal fees
- City or county rental registration rules
- Appliances and blinds included or budgeted
- Utility providers and MUD water and sewer rates

7 · Method and limitations

How every number was produced

Inputs live in data/properties.json, each with its source and retrieval date. engine.py implements sections 5, 6, 7 and 10 of the template and generate.py renders this page and the PDF. Re-running python3 generate.py reproduces both deliverables exactly. The calculator on this page uses the same formulas in JavaScript, so the figures you see when you change an input are computed the same way as the printed ones.

Formulas, as specified in section 5

- Principal and interest = $L \cdot r(1+r)^{360} \div [(1+r)^{360} - 1]$, $L = 80\%$ of price, $r = 6.5\% \div 12$
- Effective rent = rent $\times (1 - \text{vacancy})$; management = 8% of rent collected, i.e. of effective rent
- NOI = effective rent - (tax + insurance + HOA + maintenance + management + other); NOI excludes the mortgage
- Cash flow = NOI - P&I · Cap rate = annual NOI $\div$ price · Cash-on-cash = annual cash flow $\div$ cash invested · DSCR = NOI $\div$ P&I
- Break-even rent = fixed costs $\div [(1 - \text{management}) \times (1 - \text{vacancy})]$
- Maximum price at \$0 cash flow solves for price with tax, insurance, maintenance and debt all scaling with price

Limitations you should hold against this document

- Rents are market-level medians, not matched comparables, and no property manager has confirmed them.
- Seven of 21 scored factors are provisional for every property; the per-property scorecard tags each one.
- Insurance at 0.6% of price is a template default, not a quote, and is materially optimistic for the two Louisiana entries and for Angleton.
- Tax rates for 7 of 12 properties are the template's 2.98% assumption, not a verified rate. Where a MUD or PID exists the true rate will be higher, which makes those seven look better than they are.
- No site visit, inspection, title search or HOA document review has been carried out.
- Flood zones for 6 of 12 rest on community or city coordinates rather than the exact lot. Four locations have Special Flood Hazard Area polygons nearby and need a determination for the specific lot.

Prepared by MMS Consortium, 4 October 2026, applying the Rental Property Due Diligence Master Template version 1.0. Listing facts retrieved 4 October 2026 from lennar.com, centurycommunities.com, drhorton.com, redfin.com, realtor.com, trulia.com market pages, HAR listing flyers and RentCafe; flood data from the FEMA National Flood Hazard Layer; coordinates from the US Census geocoder, OpenStreetMap Nominatim and the

builders' own records. Figures labelled as estimates are estimates. Nothing in this document is financial, legal or tax advice.
